ANNOUNCEMENTS

IMPORTANT SAFETY MESSAGE

We have unfortunately seen a number of recent accidents involving children on bikes and scooters—both electric and manual—resulting in serious injuries and worse.

As parents, we urge you to be extra vigilant and have a frank conversation with your children. Please know where your children are at all times, review street safety rules with them regularly, and ensure they understand the dangers of riding near traffic and intersections. Children traveling to and from shul should be especially mindful and supervised as appropriate, *as this has been a noticeable concern at our shul specifically*. This is even more concerning on top of the ongoing construction at our shul, which already needs careful attention as it is.

A moment of awareness can prevent a lifetime of regret. Let's work together to keep our children safe.
